19 July 2019

*Dear Jasper, Mark and All the Members*

I am struggling to find the words to express our thanks and gratitude for the support you have given us over the years. As I said in my short speech, you have been a rock from our early days when we were working so hard to get the Blood-bikes up in running in our area.

I have been trawling through accounts (since 2013) and your generous donation last night for £1500, + £5 from one your members, makes it a grand total £13,215. An achievement you and your members should be very proud of.

Also, thank you for your kind words on Wednesday evening and, in particular, our Queen's Award for Voluntary Service. We are very proud of this National recognition and our dedicated members rightly deserve it. After all it is they who give up their time, use their own vehicles and pay for the fuel they use to help our local hospitals. That said, we are very conscious that our work at the front line is only possible because of organisations such yours who put so much effort into raising funds, in your case over over a number of years, that has enabled us to grow into an established and respected charity.

We are proud to display the Royston & District Motor Club logo on our newest Blood Bike in recognition of the hard work you put into supporting us.

Please convey our thanks and appreciation to all your members.

*Yours John*

S John Gibson MBE  
Trustee and Treasurer

*PS I am looking forward to giving you a short presentation on SERV SC in the new future.*
