## LETTERS TO THE EDITOR

From the Editors Email Box sent through by Peter Jennings

Dear Peter

It was an absolute pleasure and delight to have them both there. I'm just sorry I didn't get more time with everyone. The evening flew by. No sooner was I saying hello, I was saying goodbye to people.

It was a fantastic evening for us all, made all the better by having so many people from outside SERVSC enjoy it with us. Thank you for coming Ben and Mark.

I'm sending a picture that was taken on the night of the table they were seated on.

With my best wishes to you and all at RDMCC.

Cindy

# **SERV Suffolk & Cambridgeshire receives the Queen's Award for Voluntary Service**

Dear Peter and All our Friends at Royston & District Motor cycle Club

I am proud and absolutely delighted to be able to share with you that SERV Suffolk & Cambridgeshire – The Bloodrunners have been honoured with the Queen's Award for Voluntary Service, the highest award a voluntary group can receive in the UK.

The Queen's Award for Voluntary Service aims to recognise outstanding work by volunteer groups to benefit their local communities and we have been chosen as one of 281 charities, social enterprises and voluntary groups to receive the prestigious award this year. SERV Suffolk & Cambridgeshire have received the award for "providing free transport of essential blood products, samples and donated breast milk to hospitals and air ambulances."

As nominees, it has been a long, varied process and it gave us great pleasure to be told that our customers really appreciate the work we do.

I wanted to thank you personally for the continued support RDMC have given. Without you, we would not be where we are today. Later this year we will be invited to receive the award from the Lord Lieutenant of Cambridgeshire and we really hope you would accept an invitation to join us at this celebratory event.

Each and every one of our volunteers gives their time willingly and without question. This prestigious award is a testament to them and their professionalism.

It's what we do!

Kind regards

Hi Peter,

I hope you had a relaxing Sunday afternoon;

Firstly, I would like to say a massive thank you from me, members of the care team and the families who enjoyed your visit to the hospice yesterday so much!

It was so touching to see the impact your visit had on the families and the children. Giving them the opportunity to make lasting memories at such a difficult time, so thank you! Please find attached the photos taken.

I would be delighted to show you and members of the club around our Milton Hospice so you are able to see first-hand how the money raised will support children and young people with life threatening conditions. If this is something that would be of interest to you and any other club members, please do not hesitate to let me know.

Please pass on my sincere thanks to everyone who attended and gave such a generous donation to the hospice.

I hope you have a wonderful Christmas and I look forward to speaking with you in the New Year.

Thanks

**Kind Regards**
